

## CURRICULUM VITAE

**Roberto De Gaetano**

✉ job@robertodegaetano.it | ☎ +39 320 154 7881

📍 Via Como 16, Novedrate (CO), Italy

📅 Date of Birth: November 16, 1976

## 🕒 Professional Profile

Web developer with extensive experience in designing and developing complex, data-driven web applications.

I currently work in team environments delivering scalable and high-performance digital solutions.

I previously worked as a freelance developer, independently managing all project phases—from requirement analysis to development and production deployment.

## 📁 Professional Experience

### Consultant & Engineer

*Capgemini Engineering – April 2021 to Present*

- Full stack development of tailored web applications for corporate clients
